Even though Vedic Astrology has changed a lot in different times and in different cultures and places, the real spiritual seekers are still guided by the Most Powerful Sages like Parashara, Jaimini, Varahamihira, Prahlada, Sahadeva, Shambhu, Agastya, Vashishta, Koushika, and Kakabhujander etc. Vedic Sages, who still guide us mystically and lead us to the path of salvation secularly. Please remember that our Vedic sages are universal enlightened Masters and there is no religious or sectarian outlook and many are now a days accepting the methods of healing and different energy levels and deities and personal Gods, meditations, rituals etc.,etc..., any way, you know it better by now, what is going on in this world now.....,and to save it first save your-self, look at your own self, who you are and what you are destined to do in this world Physically (on Mundane, Materialistic plane), Astrally (on spiritual higher-level conscious planes) and how systematically your karmas are planned by the Planets at your birth and at present how much free-will you have to play with. And is there any light to be illumined upon the path of life to reduce the negative patterns such as delays, failures, conflicts, losses, oppositions, anxieties, ego-problems, fears, insults, defeats, quarrels, deceptions,

confusions, irritations, emotional problems, business and professional problems, love problems, marital family problems, money problems, gambling, alcohol, stealing, fighting etc etc. problems. And can my Positive Patterns be increased such as successes, amity, gains, respectability, honesty, high-profits, good partner, good job, promotions, sudden money gains, spiritual successes, Fulfilment of Wishes, Success in exams, driving away of the bad-eye, zeroing the negativities etc, etc...Now Please Click on 'Question types', which will directly take you to the Ultimate, World's Largest Variety of Questions and For Accurate Mystic Answers and Clairvoyant Answers, Satisfaction guaranteed.
